

CORPORATE FINANCE

Jason Burgess

Jason Burgess, CPA, CA, is a Managing Director with MNP who is based in St. Catharines and serves all of south-central Ontario. A member of the firm's Corporate Finance group, Jason helps private and public businesses navigate complex transactions so they can achieve their strategic and financial goals.

Jason draws on more than 25 years of experience in public practice and in the public sector to help clients with mergers and acquisitions, debt financing, performance improvement and due diligence. He works with businesses in various industries, including tourism, hospitality, gaming, food and beverage, consumer business and real estate development and has more than 10 years of experience working with provincial ministries and municipal governments.

Throughout his career, Jason has completed numerous critical strategic studies, market studies, feasibility studies, business plan reviews, best practice reviews and economic impact studies. He gets to know clients well so he can identify effective, efficient solutions that allow them to achieve their objectives.

Jason earned his Bachelor of Accounting (Co-Op) degree from Brock University and became a Chartered Professional Accountant (CPA), qualifying as a Chartered Accountant (CA). He is a Queen's Jubilee medal winner for community involvement and was named to Niagara's top 40 under 40 in 2007.
