

CONSULTING SERVICES

Yohaán Thommy

Yohaán Thommy, LSSBB, PMP, is a Partner with MNP's Consulting group. Working out of the Mississauga office, Yohaán focuses on delivering measurable financial results for his clients, helping them make their organizations more valuable and bringing them greater financial predictability.

Yohaán's services include performance improvement, consulting on revenue growth and sales, assisting with supply chain management and conducting business process reviews to improve operations. Adept at managing large projects, he also assists with merger integration, facility relocation, business turnarounds and technical or strategic projects.

Yohaán works primarily with owner-managed, privately held businesses. His clients are in a broad range of industries, including manufacturing, food and beverage processing, construction, casinos and gaming, marketing companies, not-for-profit and government organizations.

After receiving a Bachelor of Arts (Hons.) degree summa cum laude from McMaster University, where he majored in economics and political science, Yohaán became a designated Lean Six Sigma Black Belt (LSSBB) and Project Management Professional (PMP). He is also a member of the board of directors for the Canadian Association of Pregnancy Support Services.
